

# The Internet

*The Internet is fast, reliable,  
economical, and available  
24 hours a day, 7 days a week,  
just like your HP3000*

Excellent starting points for information  
are Adager's web site and HP's web sites:

*[www.adager.com](http://www.adager.com)*

*[www.hp.com/go/3000servers](http://www.hp.com/go/3000servers)*

*[docs.hp.com/mpeix/](http://docs.hp.com/mpeix/)*

Join HP3000-L and [comp.sys.hp.mpe](http://comp.sys.hp.mpe) for  
discussions with your worldwide HP3000  
colleagues.

To search HP3000-L archives or to post,  
subscribe, unsubscribe and change your  
subscription options:
